## DIESEL DREAMS 3 August 04

Upholding their status as the modern-day [Medicis](#) of visual culture, Diesel presents [Diesel Dreams](#), a mini-site featuring the work of 30 filmmakers, each concocting their own surreal (presumably dream-inspired) short film.

There are some real jewels in there. Make sure to check out the Lobo piece.

**Diesel Dreams**

Diesel always seems to do side projects like this supporting the arts, in their effort to keep themselves perpetually on the edge of style. Diesel Dreams is a slick flash stie hosting a collection of surreal short films by 30 filmmakers.
